Brindleface

[image]

Reminder that oh, poor Brindleface,she brutally got murdered by Tigerclaw before she could see her kits be warriors. Brindleface also gave Firestar the life of protection.

Leafpool

[image]

Reminder that Leafpool didn't complain a single time about how her children treated her.

Ravenpaw & Tigerstar

Reminder that Ravenpaw once caught a crow - and Tigerclaw complimented him for it.

Leopardstar

[image]

reminder that Leopardstar wanted to stay with Mudfur, her father, until he died before leaving the forest.

I like her tbh.

Moonflower

[image]

"All warriors are nervous before battle—if not for themselves, then for their denmates and their whole Clan. It makes their senses sharper and their claws fiercer, and it gives them hunger for victory."

I wish she didn't die tbh. Imo.

Snowfur

[image]

"You have sacrificed so much. And our Clan walks a safer path now. With this life, I give you pride, so that you may know your own worth and the worth of your Clan. Thank you for raising Whitestorm. You were chosen long ago, and StarClan has never regretted its choice."

Opinion on her?

Thistleclaw

[image]

"Oh yes. There was Thistleclaw. He was a fine warrior, strong and brave. But his answer to every problem was a fight. Should I have watched him be made deputy, and then leader, and let him force the Clan into unnecessary wars? He died as he lived, Fireheart, a few seasons before you came to join us, attacking a RiverClan patrol on the border. Wild and arrogant to the last. I couldn't stand by and let him destroy my Clan."

He's not bad in my book tbh.

Quote #1

[image]

"... You have no idea how much pain I'm in. It's like being cut open every day, bleeding onto the stones. I can't understand how any of you failed to see the blood."
Ashfur

Opinion on him?
-I mean I feel bad for him but he kinda went overboard when he tried to kill Holly, Jay, and Lion.

Quote #2

[image]

'More water will flow before we join StarClan. This is not an end. It is a beginning. You will need the courage of a lion to face this journey.'
Ravenpaw

Do you think Ravenpaw should've got his warrior name when Firestar became leader?

Runningwind

[image]

Runningwind is truly awesome. His father is Halftail and his mother is One-eye, and his sister is Mousefur. He was also one of the rare cats who was mentored by a leader (Bluestar) and was only 45 moons at death. I was just going to compare him with Hazeltail, who also died young, only to find that she died at 45 moons too...

He has a minor role in Into the Wild, as he manages to fight two ginger warriors off by himself. In Fire and Ice, he starts to become better friends with Fireheart, only doubting his cousin Cloudkit. In Forest of Secrets, he doesn't show up that much, but appears in the RiverClan patrol. In Rising Storm, however, Runningwind talks to Fireheart more and goes on patrols and the Gathering. But before he makes it to the Gathering, he is ambushed and killed by Tigerclaw, which sucks.

Anyone remember him? Opinion?

Shrewclaw

[image]

"When you reach the top, don't forget about the cats who fought alongside you on the way there. Maybe they weren't as strong, as clever, or as brave as you, but they still gave everything for what they believed in."

Anyone remember him? Opinion?

Whitestorm

[image]

"If wishes were prey, we'd eat like lions come leaf-bare. But we'd die of boredom! You know that's not what the life of the Clans is like. The warrior code guides us through the dark times, the cold and the hunger. And the good times seem all the sweeter for it. Have faith, Bluestar. We'll survive."

• **Whitestorm** •

Opinion? Remember him?

Gorsepaw

[image]

Onewhisker: "Hi. Do you remember who this is? This is Morningflower's kit. He's my apprentice now—Gorsepaw. Isn't he big?"
Fireheart: "Morningflower's kit, of course! I saw you at the last Gathering."
Gorsepaw: "Mother told me about you, Fireheart. How you carried me, and everything."

Anyone remember him? Opinion?

Pinestar

[image]

Reminder that Pinestar wanted to become kittypet without letting his Clan know, but Lionheart convinced him that he owed his Clan the truth and that he should have courage to announce it.

Frostfur

[image]

"Speckletail and I are too old for so much change. We'd rather die here beneath Silverpelt knowing StarClan waits for us."

Remember Her? Opinion?

Foxheart

Shrewpaw

Hollykit, this is Ravenpaw. He lives on a Twoleg farm, and feasts on more mice than you three have seen in your life.
-Shrewpaw introducing his younger siblings to Ravenpaw

Anyone remember him? Opinion?

Dappletail

[image]

Dappletail lived a lot longer than Bluestar, and Dappletail was an apprentice when Bluestar was born, yet Bluestar died earlier, even with nine lives!

Also Comment Cats Guys!! I'm running of forgotten cats lol

Quince

[image]

Tiny: "Do you know about... about the forest?"
Quince: "A little bit. It didn't scare your father as much as it did me... he explored there a couple of times and told me about it."

Those savages are a scourge on the name of all good cats.

Shellheart

Shellheart was a descendant of Appledusk for that reason Mapleshade was out to get him and his descendants, Crookedstar was the target of Mapleshade's anger.

His mate was Rainflower and his kits were Oakkit and Stormkit. Later Stormkit breaks his jaw and Rainflower requests his name to be changed into Crookedkit. This angers Shellheart and they break up.

Beetlewhisker

[image] [image]

" The Warrior Code teaches us to be strong! I don't know what you are trying to do, but you'll never make me despise the warrior code, or my Clan! My Clan thinks it's being targeted by rogues because of you. They're frightened by our nighttime visits to their territory. I don't want to be part of that. I appreciate everything you've taught me, I really do. You've made me a stronger warrior than I could have ever dreamed of being, but I can't stay here. I must leave and protect my Clan. I won't be coming here again."

Daisy

[image] [image]

"I am no warrior, but I am a ThunderClan cat. I stay in the nursery rather than hunt and fight because that is what I do best. I care for our young as though they were my own. This is my gift to the Clan, but I do it in my own chosen name."

Remember her? Opinion?

Sorreltail
